# THE LUNG SUMMIT 2022

## CME HIGHLIGHTS

This one day CME will deliberate on airway diseases and interstitial lung diseases in detail and will touch up on recent updates on these topics. Each topic will be dealt by eminent faculty in the field and we assure you that an up to date information on various topics will be delivered to you. You will get enough opportunities to interact with specialist of your choice.

Apart from these we provide a window of opportunity for resident PGs to show case their presentation skills by presenting interesting cases. A state wide competition will be held on virtual platform to select best 6 cases from the residents of various institutions. These 6 cases will be presented to the conference audience as oral presentation and the best 3 will be rewarded. PG departments are requested to send their worked up cases to the Secretary, Organizing Committee before 15<sup>th</sup> June 2022. Selected candidates will be intimated before 20<sup>th</sup> June 2022.
